

Learning Conversations

Week ending 13.11.26

Science

We have learned that animals, including humans cannot make their own food like plants. In order for us to remain healthy we need the right types and amount of nutrition. Please research how we get this nutrition.

Maths

Year 3

Count in multiples of 4 and 8

Year 4

Count in multiples of 6, 7 and 9

PE

We have been learning about balance in PE this week. When you are watching TV or brushing your teeth, see if you can hold a balance, like standing on one foot or even sitting in a v-sit!
