Can you retell the story '**The Best Diwali Ever!**' ?

What different things did Ariana do to prepare for Diwali?

What was she feeling at different points of the story?

What happened with her brother?

Can you find a variety of 2D and/or 3D shapes around your house?

How do you know they are 2D or 3D?

Have a go at tapping the syllables of different words to create rhythm patterns!

Using anything as an instrument if you'd like!

Eg. Bashing a metal bowl!
