Can you persuade your family why the dark shouldn't be banned by talking about 1 of these reasons:

- Sleep
- Fireworks
- Christmas
- Nocturnal Animals

Can you work out these multiplying and dividing questions draw or use counters (or equivalent) to help!

6×2 (6 groups of 2)

4×5 (4 groups of 5)

$10 \div 2$ (10 into groups of 2)

$15 \div 5$ (15 into groups of 5)

Talk to your friends and family, what continents have they or you been too?

What country in that continent was it?
