

# Harting Church of England Primary School

## Vision and Values

### Our Motto

Loving to Learn, Learning to Love

*'Love others as self'*  
(Matthew 22:34-40)

### Our Vision

Guided by our Christian values we motivate and inspire our community's love of learning through fostering a curiosity of the world around them, developing resilient and enthusiastic lifelong learners. In our ever changing world we aim to equip everyone with skills to continue on their individual journeys of discovery, enabling all to flourish and live life in all its fullness.

*"I came that they might have life in all its fullness"*  
(John 10:10)

### Christian Values

At Harting Church of England Primary School pupils have chosen the following Christian Values which they feel are most important to develop across their individual journeys.
