

Harting Church of England Primary School

School Prayer

Lord Jesus Christ,
we thank you for the gift of life and love,
for the birds that sing
and the nature all around us;
give us respect for others and humble hearts.

When someone says sorry,
we are thankful for the gift of forgiveness;
when we are down,
our friends bring us up again;
may we have compassion for each other.

Help us to have endurance when things are hard
and hope in all we do.

Help us to trust in you
so that your peace and love
will always be in our hearts
and in our school.

Amen.
