If you were to create your own invention like Rosie did with her cheese-copter, what would you create?

**Can you think of some noun phrases to describe it (adjective, noun) Eg, bouncing boots, spinning cheese**

**Can you explain what a  $\frac{1}{2}$  is? What does the 1 and the 2 represent?**

**Try these questions:**

**$\frac{1}{2}$  of 6**

**$\frac{1}{2}$  of 10**

**$\frac{1}{2}$  of 4**

Watch Charlie Chaplin's – The Lion cage **without sound** and see what sounds you can create for each moment. Can you use your voice, body percussion, objects around your house to make noises?
