

Learning Conversations

Week ending 11.09.26

English

This week we have started our core text 'The Whale' by Ethan and Vita Murrow. Please tell your parents all about the book and what you have enjoyed about the text so far.

Maths

When you are out and about, what numbers do you see? Are they only 2 and 3 digit numbers or have you ever seen 4 and 5 digit numbers, or even 6 digit numbers? If so, can you remember where?

Geography

Talk with someone in your family about where you have been in the UK, what you did there, why you went and how you travelled there. Could you then find it on the map to show us next week?
