

English

Listen to and discuss a wide range of texts with a theme of travelling and journeys. Core text - The Miraculous Journey

Year 2

Read accurately by blending the sounds in words that contain the graphemes taught so far, especially recognising alternative sounds for graphemes

Start using some of the diagonal and horizontal strokes needed to join letters

Write for different purposes

Use sentences with different forms: statement, question, exclamation, command

Year 3

Understand what has been read by checking that the text makes sense, discussing understanding with an adult and explaining the meaning of words in context

Increase the legibility, consistency and quality of handwriting by ensuring the downstrokes of letters are parallel and equidistant

Write paragraphs around a theme

Extend the range of sentences with more than one clause by using a wider range of conjunctions

Chestnut Class Autumn 2022

Around the World

Maths

Year 2

Addition and subtraction

2-digit numbers and ones; 2-digit numbers and tens; two 2-digit numbers

Measures

Estimate and measure length/height in any direction (m/cm);

Compare and order lengths, record the results using >, < and =

Recognise and use symbols for pounds (£) and pence (p); combine amounts to make a particular value

Year 3

Addition and subtraction

3-digit numbers and ones; 3-digit numbers and tens; 3-digit numbers and hundreds

Measures

Measure, compare, add and subtract: lengths (m/cm/mm)

Add and subtract amounts of money to give change, using both £ and p in practical contexts

P.E on Friday afternoon

Dance – learning rhythm which is linked to the theme of countries

Mr Gardner will teach PE outside on Wednesday mornings, weather permitting.

PHSE

CD (Celebrating Difference)

Respect for similarity and difference. Anti-bullying and being unique

Art

Look at natural and manmade patterns and discuss. Search for pattern around us in world pictures and objects. Design and create a Rangoli pattern

Science

Year 2

Observe and describe how seeds and bulbs grow into mature plants

Find out and describe how plants need water, light and a suitable temperature to grow and stay healthy

Year 3

Investigate the way in which water is transported within plants

Explore the part that flowers play in the life cycle of flowering plants including pollination, seed formation and seed dispersal

Homework:

Please read with and to your children.

Learning conversations will be sent home every Friday.

Library books will be changed on Fridays.

Please bring books relevant to the topic into school for sharing with the class.

The children can use TT Rockstars to practice their times tables.

Computing

Year 2

Computing systems and networks – IT around us

Year 3

Computing systems and networks – Connecting computers

R.E

What is it like to follow God?

Geography-

What is a continent? To know the names of each continent. Research Europe and Asia looking for similarities and differences.

What is an ocean? To know the names of each ocean and where they are in the world. Why do we need oceans?
