

# Learning Conversations

week ending 04.10.24

Please find a story book at home that links to our key text 'The Whale' by Ethan and Vita Murrow.  
How does it link? What part of the story is similar or different? Is the setting the same or the characters?  
Then.... read it and enjoy it.

In our geography this week we learned that the land use of the UK can be classified into 7 different groups. (arable, pasture, peat bogs, moorland and heathland, woodland, artificial surfaces, others.)  
Please try to find out how the land use has changed in the last 100 years. What could 'others' mean?

Year 3 – add and subtract 1, 10 or 100 to and from any 3-digit number

Year 4 – add and subtract 1, 10, 100 or 1000 to and from any 4-digit number
