

# Learning Conversations

week ending 15.09.23

This week we have been reading the story Ug by Raymond Briggs. Tell your parents about the story so far. Do you like it? If so, why? If you don't like it, why not? How is the story set out? What are the footnotes for? How do you think the story will end?

Year 2 – practice reading and writing 2-digit numbers

Year 3 – practice reading and writing 3-digit numbers

Our history learning this half-term is all about the Stone Age to Iron Age.

What can you find out about this period in history? Record the facts however you like and bring your work into school when finished.
