

Learning Conversations

Year 2 – Find different combinations of coins that equal 79p
Year 3 – Find different combinations of Notes and coins that equal £6.68

Year 2 – Find out what Charles Macintosh invented

Year 3 – Name two of the rocks you identified during our recent field trip to the church and describe what this tells us about the rocks found in the local area

Year 2 & Year 3

Can you describe how a reader might feel when reading each part of your story?

This includes the opening, build up, climax and resolution.
