

Learning Conversations

week ending 24.11.23

Maths

Year 2 – practice adding and subtracting multiples of 10 to and from 2-digit numbers

Year 3 – practice adding and subtracting multiples of 100 to and from 3-digit numbers

English

When reading look for descriptive phrases that are really effective. Notice unusual vocabulary too. Jot down and bring into school.

Geography

Create your own city or village and draw a map of it. Remember to include both human and physical features.

Why would the residents want to move into your city or village?
