

Learning Conversations

Week ending 25.09.26

Science

Please go on a nature walk and collect as many natural objects as you can. For example, wild clematis, rose hips, leaves, sycamore seeds, conkers etc. Please bring into school on Monday morning.

Maths

Year 3 – Practice counting from 0 in steps of 10, 50 and 100

Year 4 – practice counting from 0 in steps of 25, 50, 1000 and 10,000.

Geography

Talk with a family member about the county that you live in, or a neighbouring county. Can you find out any interesting facts about it? Perhaps you could find out what day the county day is, or foods that are associated with that county. You could even find out if any famous people are associated with the county!
