

Learning Conversations

Can you fix my sentence?

Leo and maya were best pals

Year 2s, what conjunction could you use to make it more interesting? (but, because, so)

Year 1: Can you see on the 10 frame it is in 2 rows of 5 which makes 10! Can you see what you can find at home to make 2 rows of 5? Eg pebbles or apples!

Year 2: Can you use objects at home to show doubles in rows like on the 10 frame? Use the 10 frame layout to help you! Eg double 1 is 2 so find 2 objects!

				
				

Can you remember which way is North, East, South and West?

(Don't forget the rhyme! Naughty Elephants Squirt Water!)
