## January 2025 Ofsted Report

Dear Parent/Carer,

It is with immense pride that I am writing today with news of the outcome of our recent Ofsted Inspection.

Ofsted have judged the school to be '**securely Good in all areas**'.

### Elements of Outstanding and Exemplary Provision

The inspector also shared that the school is meeting elements of outstanding in both the 'Personal Development' and 'Behaviour and Attitudes' categories of the Ofsted framework. It was also identified that the school is demonstrating exemplary provision in elements of children's personal development.

With the release of the final report, and news of the school's new gradings, I wanted to extend my thanks to everyone that has played a role in enabling the school to progress so rapidly on its journey over the past 3 and a half years. It is because of this commitment and support from the whole community that we are able to offer the high-quality provision that we do today.

### Celebration and Question Evening

I would like to invite all parents to a celebration and question evening at the school on Monday 10th February at 6pm. Here I will share further details of findings from the inspection and also take the time to answer any questions you may have.

With my best wishes as always,

Mr Tidey
