

Learning Conversations

Think about your character who will be inventing the flying banana shooting armchair!
What are they like? Can you describe them using noun phrases? How do they look? What do they do?

Can you explain what a $\frac{1}{4}$ and $\frac{1}{3}$ is?

Try these questions:

$\frac{1}{3}$ of 6

$\frac{1}{4}$ of 12

Challenge:

$\frac{1}{2}$ of _____ is 5

$\frac{1}{4}$ of _____ 4

What are the basic human needs?
Imagine you are stuck on a desert island, what do you **NEED**?
