Value of the Month: Respect

With the academic year well underway and having just come to the end of our first week since half term, it is my pleasure to be able to share many of the exciting activities and events that have taken place over the past few weeks.

With the Value of the Month now moving from Thankfulness to Respect, children across the school are exploring the many different ways in which they can show respect towards both themselves and others. Children are developing a deeper understanding of the importance of respect and the impact this has on ourselves and the people around us. We would encourage parents and carers to continue these conversations at home with their children.

I hope that you enjoy celebrating the successes of the children as much as we have here at school. We are blessed to be able to work with each and every one of them, and could not be more proud of them.

Mr Tidey, Headteacher.

Willow Trip to the Haslemere Museum

As part of Willow's history topic 'Toys Now and Then' the class recently spent the day at the fantastic Haslemere Museum.

During the day, they explored toys they play with now, and those from the past, and got to draw comparisons between them.

They all had a wonderful day and were excellent ambassadors for our school.

Well done everyone!

Rotary Youth Music Festival

On Wednesday 2nd December, our Year 6 Brass Band performed at the Midhurst Rotary Youth Music Festival. We could not be more proud of them all. Not only were they the only primary school band, they also received a standing ovation from the MRC orchestra and a fabulous applause from the 300+ audience!

Key Dates

- 22/11/22** – Parents Evening 3-6pm
- 23/11/22** – Parents Evening 3-6:30pm

Value of the Month: Respect

The Lunch Time Reading Café

This week saw the exciting launch of The Lunch Time Reading Café! This will see adults from across the school reading stories to the children at lunchtime in one of library areas. This week both Miss Leeb and Mr Tidey read their favourite stories 'Leon and The Place Between' and 'The Library Lion'. It was fabulous to have so many children come and join us. We cannot wait to continue next week and through the rest of the term! Any book or story requests are very welcome!

Year 5/6 Rother Valley Football Tournament

A few weeks ago, our Year 5/6 footballers went to Midhurst Rother College to take part in the Rother Valley football tournament. This saw them coming together as a team and competing against a number of other schools across the Rother Valley. We are so proud of how well they worked together as a team and for the way in which they represented our school. Well done everyone!

Scaries and Fairies Mufti Day and Cake Sale

A huge thank you to everyone who supported the school's Scaries and Fairies mufti day and cake sale. We are very pleased to announce that the school raised over £200 from your very generous donations!

Penny Wars Winners

This year's winners of Penny Wars, by quite a margin, was our Acorn Class! Thank you to everyone that took part, we are really pleased to announce that we raised just over £100 from your donations of loose change!

ROBLOX

Have you heard of ROBLOX? This is one of the most popular online games for younger children around. Are you aware of the associated benefits and risks associated with this game? Be sure to visit our website to learn more about the game and how you can support keeping your child safe when online.
