

Learning Conversations

week ending 01.12.23

Maths

Year 2 & Year 3

Practice adding 1-digit and 2-digit numbers within 20 for example, $6 + 8$, $3 + 9$, $4 + 15$, $8 + 7$, $12 + 4$, $13 + 6$, $2 + 11$, $4 + 7$ etc

The children need to be able to recall the answers without hesitation.

English

Year 2

Practice writing these words to help memorise the spellings; treasure, measure, pleasure, casual. Can you find other words where the 'sh' sound is written with 's'.

Year 3

Write a list of words with this spelling rule; the y is changed to an 'i' before adding 'ed'

Science

Year 2

Find objects in your home which change shape when a force is applied – bend, twist, stretch, pull

Year 3

Design a game that uses magnets. Write and / or draw the instructions
