

Harting C of E Primary School Newsletter

Issue 10 – 21st July 2023
Value of the Month: Humility

It is hard to believe that a whole school year has passed and we are now moving into the summer holiday! What a truly incredible year we have had here at Harting. Highlights include: Our Andy and the Odd Socks Anti Bullying Week win and visit from the band; the creation of the stunning Harting Coronation Wildlife Garden and Wildlife Hide; our fantastic brass band players and musicians across the school; an array of sporting achievements including in football, athletics, cricket, rounders and cross country; our very successful Christmas and Summer fairs run by the PTFA; our fabulous Forest School at our own dedicated site; appearances in local news and on both local and national radio; our choir singing at the O2 Arena and numerous exciting extra-curricular trips and visits across the year.

I have been reflecting on the many successes of the year and wanted to share what I feel makes Harting such an inspirational school. We are blessed to be supported by the love and care of both the local village and those in the surrounding area. We have a wonderful team of staff that are committed to ensuring that the children of the village get the very best education and educational experience in all that they do. We have very special links with an eclectic mix of local businesses and community groups as well as the most supportive PTFA and parental body. We also have the most wonderful partnership with both St Mary and St Gabriel Church and the Harting Congregational Church, which support and embed our key values of love and respect. All of this collaborative work is enabled by the love and respect that we have for each and every one of our children and the collective vision for ensuring each is enabled to flourish in all that they do.

I would like to thank everyone for their continued support and incredible commitment to the school over the past year. I would encourage everyone to take this moment to pause and reflect on what has made both their own and their child's year such a great success.

I would also like to take this moment to congratulate our Year 6 children on their very special time with us and all that they have achieved. Each and every member of the class has been an inspiration to us all and we wish them the very best of luck as they take the next step on their journey.

Wishing everyone a wonderful summer break. See you back on Tuesday 5th September!
