

Learning Conversations

Week ending: 19.01.24

Maths

Year 2 & 3

Have fun writing simple addition and subtraction calculations using Roman numerals. Who can set me a challenge I wonder!

Practice adding such numbers as 6+7, 8+9, 4+8, 9+5 so that they are known off by heart.

Remember....
5 house points
for homework

Dance

Can you remember the clapping rhythm we used at the start of the dance lesson?

Clap, clap, slap, slap (thigh) Then we said a garden creature as we slapped our thighs, for example, clap, clap, rab-bit, clap, clap, rab-bit etc.

Try making up your own to show the class

History

Research what Britain was like before the Romans invaded. Please bring to school to share with the class.
