

Learning Conversations

week ending 07.02.25

Our core text is called Arthur and the Golden Rope and is written by Joe Todd-Stanton.

This week and next week we are planning and writing an information guide on a mythical creature. Please create your own mythical creature. What does it look like and how does it move? What are its powers? You can draw, or paint or make a collage, whatever you like.

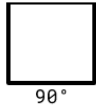

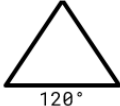

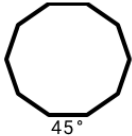

Year 3 – please learn the **multiplication** and **division** facts for the 8 times table until you know them off by heart

Year 4 – please learn **all the times tables (1 to 12)** until you know them off by heart.

The code commands to the right, are incorrect. Can you find the errors and write the correct codes? (debug)
