

Learning Conversations

Week ending: 05.01.24

Maths

Year 2

Practice telling the time on an analogue clock for quarter to and quarter past the hour.

Year 3

Practice telling the time on an analogue clock at 5 minute intervals

Geography

<https://www.google.com/maps>

Use google maps to locate your home and relative's homes. Drop in the little man to show you the street view.

Use geographical vocabulary, such as road, street, river, village, town, house, shop, café, post office etc to describe what you see.

English

Research information on Roman Soldiers. Write down what you find out so that you can read it to the class during this next week.
