

31/10/23

Willow's Guy Fawkes Day!

Today we were introduced to Guy Fawkes and what he did. We spoke about how fireworks day is because of his acts of treason. We had a **BANGING** day!!

We spoke about how Guy Fawkes plan was very secretive and he planted the gunpowder very secretly! Guy Fawkes visited Willow today and named the rest of Willow Class his plotters. We were going to have a **secret** firework display at school!

We got our 'gunpowder' ready and **secretly** put them around the school. We made lamps for our journey (like Guy Fawkes had for putting his gunpowder in the cellar)

Shhhhhhhh!!

In the afternoon we did a mini science experiment! Fireworks in a Jar.

We needed to gently mix oil and food colouring and put that into a cup of warm water!

The **secret** firework display!

We made a pop up firework craft and used them in the display! We threw our gunpowder in the air (biodegradable confetti) and each got to use a sparkler!

Afterwards, we had a big finale of throwing our 'gunpowder' up in the air! (video below)
