week ending 11.10.24

Our final piece of writing this half term will be a newspaper report.
Do you have any newspapers at home? If so, find an article that you think is interesting.
Was anyone interviewed for the report?
Were there any witnesses? What vocabulary is used to engage the reader?

Every class is finding out information about one inspirational figure for Black History month. I would like you to find out some more information about Walter Tull. You can present this information however you like.
