Can you retell some of the instructions for building a Bog Baby Habitat? Don't forget your time words, command words and adjectives!

First....
Then.....
Finally....

Using this number line to 10 can work out the missing numbers on the other number lines?

- Draw an arrow to estimate where 28 belongs on the number line.

Draw an arrow to estimate where 43 belongs on the number line.

Why did Mae Jemison make such an important change and impact on others?
What did she do? Who did she inspire?
